Dear Mr. Wright:

During an examination of the mining claim files, we learned that the Reefer #3 mining claim had been voided by the Utah State Office, Bureau of Land Management. Since the Reefer #3 is the mining claim upon which your underground mine is located and included under notice UTU-68020, we have concerns regarding any future activity on the claim. If no further activity is contemplated, reclamation of the site is necessary.

If you wish to continue working your mine, you should locate another mining claim as the Reefer #3, Serial Number UMC 335904, no longer exists. Therefore, your notice must be amended to reflect the new mining claim and serial number.

We would like to schedule a meeting to discuss our concerns at your earliest convenience. Please contact Neil Simmons of my staff at 801-637-4584.

Sincerely,

WAYNE LUDINGTON
